	(c) <i>Record keeping</i> . Each LEA must maintain in its records, and provide to the SEA, the following information related to parentally-placed private school children covered under
	\$§ 300.130 through 300.144:
	(1) The number of children evaluated;
	(2) The number of children determined to be children with disabilities; and
	(3) The number of children served.
	(Authority: 20 U.S.C. 1412(a)(10)(A)(i))
	§ 300.133 Expenditures.
	(a) <i>Formula</i> . To meet the requirement of § 300.132(a), each LEA must spend the following
	on providing special education and related services (including direct services) to
	parentally-placed private school children with disabilities: (1) For children aged 3 through 21, an amount that is the same proportion of the LEA's
	total subgrant under section 611(f) of the Act as the number of private school children with
	disabilities aged 3 through 21 who are enrolled by their parents in private, including
	religious, elementary schools and secondary schools located in the school district served by
	the LEA, is to the total number of children with disabilities in its jurisdiction aged 3
	through 21.
	(2)(i) For children aged three through five, an amount that is the same proportion of the
	LEA's total subgrant under section 619(g) of the Act as the number of parentally-placed
	private school children with disabilities aged three through five who are enrolled by their
	parents in a private, including religious, elementary school located in the school district served by the LEA, is to the total number of children with disabilities in its jurisdiction
	aged three through five.
	(ii) As described in paragraph (a)(2)(i) of this section, children aged three through five are
	considered to be parentally-placed private school children with disabilities enrolled by their
	parents in private, including religious, elementary schools, if they are enrolled in a private
	school that meets the definition of elementary school in § 300.13.
	(3) If an LEA has not expended for equitable services all of the funds described in
	paragraphs $(a)(1)$ and $(a)(2)$ of this section by the end of the fiscal year for which Congress
	appropriated the funds, the LEA must obligate the remaining funds for special education
	and related services (including direct services) to parentally-placed private school children with disabilities during a carry-over period of one additional year.
	(b) <i>Calculating proportionate amount</i> . In calculating the proportionate amount of Federal
	funds to be provided for parentally-placed private school children with disabilities, the
	LEA, after timely and meaningful consultation with representatives of private schools under
	§ 300.134, must conduct a thorough and complete child find process to determine the
	number of parentally-placed children with disabilities attending private schools located in
	the LEA. (See Appendix B for an example of how proportionate share is calculated).
	(c) Annual count of the number of parentally-placed private school children with
	<i>disabilities.</i> (1) Each LEA must—
	(i) After timely and meaningful consultation with representatives of parentally-placed

Chapter 14 PA Regulations (June 28, 2008)	Part 300 Federal Regulations (August 14, 2006) Adopted by Reference
	private school children with disabilities (consistent with § 300.134), determine the number
	of parentally-placed private school children with disabilities attending private schools
	located in the LEA; and
	(ii) Ensure that the count is conducted on any date between October 1 and December 1,
	inclusive, of each year.
	(2) The count must be used to determine the amount that the LEA must spend on providing
	special education and related services to parentally-placed private school children with
	disabilities in the next subsequent fiscal year.
	(d) <i>Supplement, not supplant.</i> State and local funds may supplement and in no case supplant the proportionate amount of Federal funds required to be expended for parentally-placed
	private school children with disabilities under this part.
	(Authority: 20 U.S.C. 1412(a)(10)(A))
	§ 300.134 Consultation.
	To ensure timely and meaningful consultation, an LEA, or, if appropriate, an SEA, must
	consult with private school representatives and representatives of parents of parentally
	placed private school children with disabilities during the design and development of
	special education and related services for the children regarding the following:
	(a) Child find. The child find process, including—
	(1) How parentally-placed private school children suspected of having a disability can
	participate equitably; and
	(2) How parents, teachers, and private school officials will be informed of the process.
	(b) <i>Proportionate share of funds</i> . The determination of the proportionate share of Federal
	funds available to serve parentally-placed private school children with disabilities under
	§ 300.133(b), including the determination of how the proportionate share of those funds was calculated.
	(c) <i>Consultation process</i> . The consultation process among the LEA, private school officials,
	and representatives of parents of parentally placed private school children with disabilities,
	including how the process will operate throughout the school year to ensure that parentally-
	placed children with disabilities identified through the child find process can meaningfully
	participate in special education and related services.
	(d) <i>Provision of special education and related services</i> . How, where, and by whom special
	education and related services will be provided for parentally placed private school children
	with disabilities, including a discussion of—
	(1) The types of services, including direct services and alternate service delivery
	mechanisms; and
	(2) How special education and related services will be apportioned if funds are insufficient
	to serve all parentally placed private school children; and
	(3) How and when those decisions will be made;
	(e) <i>Written explanation by LEA regarding services</i> . How, if the LEA disagrees with the views of the private school officials on the provision of services or the types of services
	(whether provided directly or through a contract), the LEA will provide to the private
	school officials a written explanation of the reasons why the LEA chose not to provide
	services directly or through a contract.
	(Authority: 20 U.S.C. $1412(a)(10)(A)(iii)$)
	§ 300.135 Written affirmation.
	(a) When timely and meaningful consultation, as required by § 300.134, has occurred, the

Chapter 14 PA Regulations (June 28, 2008)	Part 300 Federal Regulations (August 14, 2006) Adopted by Reference
	LEA must obtain a written affirmation signed by the representatives of participating private
	schools.
	(b) If the representatives do not provide the affirmation within a reasonable period of time,
	the LEA must forward the documentation of the consultation process to the SEA.
	(Authority: 20 U.S.C. 1412(a)(10)(A)(iv))
	§ 300.136 Compliance.
	(a) <i>General</i> . A private school official has the right to submit a complaint to the SEA that the LEA—
	(1) Did not engage in consultation that was meaningful and timely; or
	(2) Did not give due consideration to the views of the private school official.
	(b) <i>Procedure</i> . (1) If the private school official wishes to submit a complaint, the official
	must provide to the SEA the basis of the noncompliance by the LEA with the applicable
	private school provisions in this part; and
	(2) The LEA must forward the appropriate documentation to the SEA.
	(3)(i) If the private school official is dissatisfied with the decision of the SEA, the official
	may submit a complaint to the Secretary by providing the information on noncompliance
	described in paragraph (b)(1) of this section; and (ii) The SEA must forward the appropriate
	documentation to the Secretary.
	(Authority: 20 U.S.C. $1412(a)(10)(A)(v)$)
	§ 300.137 Equitable services determined.(a) No individual right to special education and related services. No parentally-placed
	private school child with a disability has an individual right to receive some or all of the
	special education and related services that the child would receive if enrolled in a public
	school.
	(b) Decisions. (1) Decisions about the services that will be provided to parentally-placed
	private school children with disabilities under §§ 300.130 through 300.144 must be made in
	accordance with paragraph (c) of this section and § 300.134(c).
	(2) The LEA must make the final decisions with respect to the services to be provided to
	eligible parentally-placed private school children with disabilities.
	(c) Services plan for each child served under §§ 300.130 through 300.144. If a child with a
	disability is enrolled in a religious or other private school by the child's parents and will
	receive special education or related services from an LEA, the LEA must— (1) Initiate and conduct meetings to develop, review, and revise a services plan for the
	child, in accordance with § 300.138(b); and
	(2) Ensure that a representative of the religious or other private school attends each
	meeting. If the representative cannot attend, the LEA shall use other methods to ensure
	participation by the religious or other private school, including individual or conference
	telephone calls.
	(Authority: 20 U.S.C. 1412(a)(10)(A))
	§ 300.138 Equitable services provided.
	(a) <i>General.</i> (1) The services provided to parentally-placed private school children with
	disabilities must be provided by personnel meeting the same standards as personnel
	providing services in the public schools, except that private elementary school and
	secondary school teachers who are providing equitable services to parentally-placed private school children with disabilities do not have to meet the highly qualified special education
	teacher requirements of § 300.18.

	through the process described in §§ 300.134 and 300.137, it will make available to
	parentally-placed private school children with disabilities.
	 (2) The services plan must, to the extent appropriate— (i) Meet the requirements of § 300.320, or for a child ages three through five, meet the
	requirements of § 300.323(b) with respect to the services provided; and

	(B) From the service site to the private school, or to the child's home, depending on the

	Children With Disabilities Enrolled by Their Parents in Private Schools When FAPE
	Is at Issue \$ 200,148 Placement of children by percents when EADE is at issue
	§ 300.148 Placement of children by parents when FAPE is at issue.(a) <i>General</i>. This part does not require an LEA to pay for the cost of education, including
	special education and related services, of a child with a disability at a private school or
	facility if that agency made FAPE available to the child and the parents elected to place the
	child in a private school or facility. However, the public agency must include that child in
	the population whose needs are addressed consistent with §§ 300.131 through 300.144.
	(b) <i>Disagreements about FAPE</i> . Disagreements between the parents and a public agency
	regarding the availability of a program appropriate for the child, and the question of
	financial reimbursement, are subject to the due process procedures in §§ 300.504 through
	300.520.
	(c) Reimbursement for private school placement. If the parents of a child with a disability,
	who previously received special education and related services under the authority of a
	public agency, enroll the child in a private preschool, elementary school, or secondary
	school without the consent of or referral by the public agency, a court or a hearing officer
	may require the agency to reimburse the parents for the cost of that enrollment if the court
	or hearing officer finds that the agency had not made FAPE available to the child in a
	timely manner prior to that enrollment and that the private placement is appropriate. A
	parental placement may be found to be appropriate by a hearing officer or a court even if it
	does not meet the State standards that apply to education provided by the SEA and LEAs. (d) <i>Limitation on reimbursement</i> . The cost of reimbursement described in paragraph (c) of
	this section may be reduced or denied—
	(1) If—
	(i) At the most recent IEP Team meeting that the parents attended prior to removal of the
	child from the public school, the parents did not inform the IEP Team that they were
	rejecting the placement proposed by the public agency to provide FAPE to their child,
	including stating their concerns and their intent to enroll their child in a private school at
	public expense; or
	(ii) At least ten (10) business days (including any holidays that occur on a business day)
	prior to the removal of the child from the public school, the parents did not give written
	notice to the public agency of the information described in paragraph (d)(1)(i) of this
	section;
	(2) If, prior to the parents' removal of the child from the public school, the public agency

Chapter 14 PA Regulations (June 28, 2008)	Part 300 Federal Regulations (August 14, 2006) Adopted by Reference
	informed the parents, through the notice requirements described in § 300.503(a)(1), of its
	intent to evaluate the child (including a statement of the purpose of the evaluation that was
	appropriate and reasonable), but the parents did not make the child available for the
	evaluation; or
	(3) Upon a judicial finding of unreasonableness with respect to actions taken by the parents.
	(e) <i>Exception</i> . Notwithstanding the notice requirement in paragraph (d)(1) of this section,
	the cost of reimbursement—
	(1) Must not be reduced or denied for failure to provide the notice if—
	(i) The school prevented the parents from providing the notice;
	(ii) The parents had not received notice, pursuant to § 300.504, of the notice requirement in
	paragraph (d)(1) of this section; or
	(iii) Compliance with paragraph (d)(1) of this section would likely result in physical harm to the child; and
	(2) May, in the discretion of the court or a hearing officer, not be reduced or denied for failure to provide this notice if—
	(i) The parents are not literate or cannot write in English; or (ii) Compliance with paragraph
	(d)(1) of this section would likely result in serious emotional harm to the child.
	(Authority: 20 U.S.C. 1412(a)(10)(C))
	§ 300.160 Participation in assessments.
	(a) General. A State must ensure that all children with disabilities are included in all general
	State and district-wide assessment programs, including assessments described under section
	1111 of the ESEA, 20 U.S.C. 6311, with appropriate accommodations and alternate
	assessments, if necessary, as indicated in their respective IEPs.
	(b) Accommodation guidelines. (1) A State (or, in the case of a district-wide assessment, an
	LEA) must develop guidelines for the provision of appropriate accommodations.
	(2) The State's (or, in the case of a district-wide assessment, the LEA's) guidelines must
	(i) Identify only those accommodations for each assessment that do not invalidate the score;
	and (ii) Instruct IED Teams to calent, for each accomment, only these accommodations that do
	(ii) Instruct IEP Teams to select, for each assessment, only those accommodations that do not invalidate the score.
	(c) Alternate assessments. (1) A State (or, in the case of a district-wide assessment, an
	LEA) must develop and implement alternate assessments and guidelines for the
	participation of children with disabilities in alternate assessments for those children who
	cannot participate in regular assessments, even with accommodations, as indicated in their
	respective IEPs, as provided in paragraph (a) of this section.
	(2) For assessing the academic progress of students with disabilities under Title I of the
	ESEA, the alternate assessments and guidelines in paragraph (c)(1) of this section must
	provide for alternate assessments that
	(i) Are aligned with the State's challenging academic content standards and challenging
	student academic achievement standards;
	(ii) If the State has adopted modified academic achievement standards permitted in 34 CFR
	200.1(e), measure the achievement of children with disabilities meeting the State's criteria
	under Sec. 200.1(e)(2) against those standards; and
	(iii) If the State has adopted alternate academic achievement standards permitted in 34 CFR
	200.1(d), measure the achievement of children with the most significant cognitive
	disabilities against those standards.

Chapter 14 PA Regulations (June 28, 2008)	Part 300 Federal Regulations (August 14, 2006) Adopted by Reference
	(d) Explanation to IEP Teams. A State (or in the case of a district-wide assessment, an
	LEA) must provide IEP Teams with a clear explanation of the differences between
	assessments based on grade-level academic achievement standards and those based on
	modified or alternate academic achievement standards, including any effects of State or
	local policies on the student's education resulting from taking an alternate assessment based
	on alternate or modified academic achievement standards (such as whether only satisfactory
	performance on a regular assessment would qualify a student for a regular high school
	diploma).
	(e) Inform parents. A State (or in the case of a district-wide assessment, an LEA) must ensure that parents of students selected to be assessed based on alternate or modified
	academic achievement standards are informed that their child's achievement will be
	measured based on alternate or modified academic achievement standards.
	(f) Reports. An SEA (or, in the case of a district-wide assessment, an LEA) must make
	available to the public, and report to the public with the same frequency and in the same
	detail as it reports on the assessment of nondisabled children, the following:
	(1) The number of children with disabilities participating in regular assessments, and the
	number of those children who were provided accommodations (that did not result in an
	invalid score) in order to participate in those assessments.
	(2) The number of children with disabilities, if any, participating in alternate assessments
	based on grade-level academic achievement standards.
	(3) The number of children with disabilities, if any, participating in alternate assessments
	based on modified academic achievement standards.
	(4) The number of children with disabilities, if any, participating in alternate assessments based on alternate academic achievement standards.
	(5) Compared with the achievement of all children, including children with disabilities, the
	performance results of children with disabilities on regular assessments, alternate
	assessments based on grade-level academic achievement standards, alternate assessments
	based on modified academic achievement standards, and alternate assessments based on
	alternate academic achievement standards if
	(i) The number of children participating in those assessments is sufficient to yield
	statistically reliable information; and
	(ii) Reporting that information will not reveal personally identifiable information about an
	individual student on those assessments.
	(g) Universal design. An SEA (or, in the case of a district-wide assessment, an LEA) must,
	to the extent possible, use universal design principles in developing and administering any assessments under this section.

	§ 300.172 Access to instructional materials.
	(a) General. The State must—
	(1) Adopt the National Instructional Materials Accessibility Standard (NIMAS), published
	as appendix C to part 300, for the purposes of providing instructional materials to blind
	persons or other persons with print disabilities, in a timely manner after publication of the
	NIMAS in the Federal Register on July 19, 2006 (71 FR 41084); and
	(2) Establish a State definition of "timely manner" for purposes of paragraphs (b)(2) and
	(b)(3) of this section if the State is not coordinating with the National Instructional
	Materials Access Center (NIMAC) or (b)(3) and (c)(2) of this section if the State is

Chapter 14 PA Regulations (June 28, 2008)	Part 300 Federal Regulations (August 14, 2006) Adopted by Reference
	coordinating with the NIMAC.
	(b) Rights and responsibilities of SEA. (1) Nothing in this section shall be construed to
	require any SEA to coordinate with the NIMAC.
	(2) If an SEA chooses not to coordinate with the NIMAC, the SEA must provide an
	assurance to the Secretary that it will provide instructional materials to blind persons or
	other persons with print disabilities in a timely manner.
	(3) Nothing in this section relieves an SEA of its responsibility to ensure that children with
	disabilities who need instructional materials in accessible formats, but are not included
	under the definition of blind or other persons with print disabilities in § 300.172(e)(1)(i) or
	who need materials that cannot be produced from NIMAS files, receive those instructional
	materials in a timely manner.
	(4) In order to meet its responsibility under paragraphs $(b)(2)$, $(b)(3)$, and (c) of this section
	to ensure that children with disabilities who need instructional materials in accessible
	formats are provided those materials in a timely manner, the SEA must ensure that all
	public agencies take all reasonable steps to provide instructional materials in accessible formats to children with disabilities who need those instructional materials at the same time
	as other children receive instructional materials.
	(c) Preparation and delivery of files. If an SEA chooses to coordinate with the NIMAC, as
	of December 3, 2006, the SEA must—
	(1) As part of any print instructional materials adoption process, procurement contract, or
	other practice or instrument used for purchase of print instructional materials, must enter

	if it ensures that each public agency in the State establishes and implements effective
	procedures to ensure that a parent's refusal to consent does not result in a failure to provide
	the child with FAPE.
	(3) A public agency may not use a parent's refusal to consent to one service or activity
	under paragraphs (a) or (d)(2) of this section to deny the parent or child any other service,
	benefit, or activity of the public agency, except as required by this part.
	(4)(i) If a parent of a child who is home schooled or placed in a private school by the
	parents at their own expense does not provide consent for the initial evaluation or the
	reevaluation, or the parent fails to respond to a request to provide consent, the public
	agency may not use the consent override procedures (described in paragraphs (a)(3) and
	(c)(1) of this section); and
	(ii) The public agency is not required to consider the child as eligible for services under §§ 300.132 through 300.144.
	(5) To meet the reasonable efforts requirement in paragraphs (a)(1)(iii), (a)(2)(i), (b)(2), and
	(c)(2)(i) of this section, the public agency must document its attempts to obtain parental
	consent using the procedures in § 300.322(d).

	§ 300.301 Initial evaluations.
	(a) <i>General.</i> Each public agency must conduct a full and individual initial evaluation, in accordance with §§ 300.305 and 300.306, before the initial provision of special education
	and related services to a child with a disability under this part.
	(b) <i>Request for initial evaluation</i> . Consistent with the consent
	requirements in § 300.300, either a parent of a child or a public agency may initiate a
	request for an initial evaluation to determine if the child is a child with a disability.
	(c) Procedures for initial evaluation.
	The initial evaluation—
	(1)(i) Must be conducted within 60 days of receiving parental consent for the evaluation; or
	(ii) If the State establishes a timeframe within which the evaluation must be conducted,
	within that timeframe; and
	(2) Must consist of procedures—
	(i) To determine if the child is a child with a disability under § 300.8; and (ii) To determine
	the educational needs of the child.
	(d) <i>Exception</i> . The timeframe described in paragraph $(c)(1)$ of this section does not apply to
	a public agency if—
	(1) The parent of a child repeatedly fails or refuses to produce the child for the evaluation;
	$\begin{array}{c} \text{Or} \\ \text{(2)} A = 1 it is a star in the formula of the star in t$

	agency is making sufficient progress to ensure a prompt completion of the evaluation, and
	the parent and subsequent public agency agree to a specific time when the evaluation will
	be completed.

	§ 300.303 Reevaluations.
	(a) <i>General</i> . A public agency must ensure that a reevaluation of each child with a disability is conducted in accordance with §§ 300.304 through 300.311—
	(1) If the public agency determines that the educational or related services needs, including
	improved academic achievement and functional performance, of the child warrant a
	reevaluation; or
	(2) If the child's parent or teacher requests a reevaluation.(b) <i>Limitation</i>. A reevaluation conducted under paragraph (a) of this section—
	(1) May occur not more than once a year, unless the parent and the public agency agree
	otherwise; and (2) Must occur at least once every 3 years, unless the parent and the public agency agree
	that a reevaluation is unnecessary.

	§ 300.304 Evaluation procedures.
	(a) <i>Notice</i> . The public agency must provide notice to the parents of a child with a disability,
	in accordance with § 300.503, that describes any evaluation procedures the agency proposes
	to conduct.
	(b) Conduct of evaluation. In conducting the evaluation, the public agency must—
	(1) Use a variety of assessment tools and strategies to gather relevant functional,
	developmental, and academic information about the child, including information provided
	by the parent, that may assist in determining—
	(i) Whether the child is a child with a disability under § 300.8; and
	(ii) The content of the child's IEP, including information related to
	enabling the child to be involved in and progress in the general education curriculum (or for
	a preschool child, to participate in appropriate activities);
	(2) Not use any single measure or assessment as the sole criterion for determining whether
	a child is a child with a disability and for determining an appropriate educational program
	for the child; and
	(3) Use technically sound instruments that may assess the relative contribution of cognitive
	and behavioral factors, in addition to physical or developmental factors.
	(c) Other evaluation procedures. Each public agency must ensure that—
	(1) Assessments and other evaluation materials used to assess a child under this part—
	(i) Are selected and administered so as not to be discriminatory on a racial or cultural basis;
	(ii) Are provided and administered in the child's native language or other
	mode of communication and in the form most likely to yield accurate information on what
	the child knows and can do academically, developmentally, and functionally, unless it is
	clearly not feasible to so provide or administer;
	(iii) Are used for the purposes for which the assessments or measures are valid and reliable;
	(iv) Are administered by trained and knowledgeable personnel; and
	(v) Are administered in accordance with any instructions provided by the producer of the
	assessments.

Chapter 14 PA Regulations (June 28, 2008)	Part 300 Federal Regulations (August 14, 2006) Adopted by Reference
	(2) Assessments and other evaluation materials include those tailored to assess specific
	areas of educational need and not merely those that are designed to provide a single general
	intelligence quotient.
	(3) Assessments are selected and administered so as best to ensure that if an assessment is
	administered to a child with impaired sensory, manual, or speaking skills, the assessment
	results accurately reflect the child's aptitude or achievement level or whatever other factors
	the test purports to measure, rather than reflecting the child's impaired sensory, manual, or
	speaking skills (unless those skills are the factors that the test purports to measure). (4) The child is assessed in all areas related to the suspected disability, including, if
	appropriate, health, vision, hearing, social and emotional status, general intelligence,
	academic performance, communicative status, and motor abilities;
	(5) Assessments of children with disabilities who transfer from one public agency to
	another public agency in the same school year are coordinated with those children's prior
	and subsequent schools, as necessary and as expeditiously as possible, consistent with §
	300.301(d)(2) and (e), to ensure prompt completion of full evaluations.
	(6) In evaluating each child with a disability under §§ 300.304 through 300.306, the
	evaluation is sufficiently comprehensive to identify all of the child's special education and
	related services needs, whether or not commonly linked to the disability category in which
	the child has been classified.
	(7) Assessment tools and strategies that provide relevant information that directly assists
	persons in determining the educational needs of the child are provided.

	 \$ 300.305 Additional requirements for evaluations and reevaluations. (a) Review of existing evaluation data.
	As part of an initial evaluation (if appropriate) and as part of any reevaluation under this
	part, the IEP Team and other qualified professionals, as appropriate, must—
	(1) Review existing evaluation data on the child, including—
	(i) Evaluations and information provided by the parents of the child;
	(ii) Current classroom-based, local, or State assessments, and classroom-based
	observations; and
	(iii) Observations by teachers and related services providers; and
	(2) On the basis of that review, and input from the child's parents, identify what additional
	data, if any, are needed to determine—
	(i)(A) Whether the child is a child with a disability, as defined in § 300.8, and the
	educational needs of the child; or
	(B) In case of a reevaluation of a child, whether the child continues to have such a disability, and the educational needs of the child;
	(ii) The present levels of academic achievement and related developmental needs of the
	child;
	(iii)(A) Whether the child needs special education and related services; or
	(B) In the case of a reevaluation of a child, whether the child continues to need special
	education and related services; and
	(iv) Whether any additions or modifications to the special education and related services are
	needed to enable the child to meet the measurable annual goals set out in the IEP of the
	child and to participate, as appropriate, in the general education curriculum.
	(b) <i>Conduct of review</i> . The group described in paragraph (a) of this section may conduct its

	(c) Source of data. The public agency must administer such assessments and other
	evaluation measures as may be
	needed to produce the data identified under paragraph (a) of this section. (d) Requirements
	if additional data are not needed. (1) If the IEP Team and other qualified professionals, as

	public agency must notify the child's parents of'—

	(2) The evaluation described in paragraph (e)(1) of this section is not required before the
	termination of a child's eligibility under this part due to graduation from secondary school
	with a regular diploma, or due to exceeding the age eligibility for FAPE under State law.
	(3) For a child whose eligibility determinates under circumstances described in paragraph
	(e)(2) of this section, a public agency must provide the child with a summary of the child's
	academic achievement and functional performance, which shall include recommendations
	on how to assist the child in meeting the child's postsecondary goals.

	§ 300.306 Determination of eligibility.
	(a) General. Upon completion of the administration of assessments and other evaluation
	measures—
	(1) A group of qualified professionals and the parent of the child determines whether the
	child is a child with a disability, as defined in § 300.8, in accordance with paragraph (b) of
	this section and the educational needs of the child; and
	(2) The public agency provides a copy of the evaluation report and the documentation of determination of eligibility at no cost to the parent.
	(b) <i>Special rule for eligibility determination</i> . A child must not be determined to be a child
	with a disability under this part—
	(1) If the determinant factor for that determination is—
	(i) Lack of appropriate instruction in reading, including the essential components of reading
	instruction (as defined in section 1208(3) of the ESEA);
	(ii) Lack of appropriate instruction in math; or
	(iii) Limited English proficiency; and
	(2) If the child does not otherwise meet the eligibility criteria under § 300.8(a).
	(c) Procedures for determining eligibility and educational need. (1) In interpreting
	evaluation data for the purpose of determining if a child is a child with a disability under
	§ 300.8, and the educational needs of the child, each public agency must—
	(i) Draw upon information from a variety of sources, including aptitude and achievement
	tests, parent input, and teacher recommendations, as well as information about the child's

	physical condition, social or cultural background, and adaptive behavior; and

	IEP in accordance with § 300.320(b), the public agency must reconvene the IEP Team to
	identify alternative strategies to meet the transition objectives for the child set out in the
	IEP.
	(2) Construction. Nothing in this part relieves any participating agency, including a State
	vocational rehabilitation agency, of the responsibility to provide or pay for any transition
	service that the agency would otherwise provide to children with disabilities who meet the
	eligibility criteria of that agency.
	(d) Children with disabilities in adult prisons—(1) Requirements that do not apply. The
	following requirements do not apply to children with disabilities who are convicted as
	adults under State law and incarcerated in adult prisons:
	(i) The requirements contained in section 612(a)(16) of the Act and § 300.320(a)(6)
	(relating to participation of children with disabilities in general assessments).
	(ii) The requirements in § 300.320(b) (relating to transition planning and transition
	services) do not apply with respect to the children whose eligibility under Part B of the Act
	will end, because of their age, before they will be eligible to be released from prison based
	on consideration of their sentence and eligibility for early release.
	(2) <i>Modifications of IEP or placement.</i>
	(i) Subject to paragraph $(d)(2)(ii)$ of this section, the IEP Team of a child with a disability
	who is convicted as an adult under State law and incarcerated in an adult prison may
	modify the child's IEP or placement if the State has demonstrated a bona fide security or
	compelling penological interest that cannot otherwise be accommodated.
	(ii) The requirements of §§ 300.320 (relating to IEPs), and 300.112 (relating to LRE), do
	not apply with respect to the modifications described in paragraph (d)(2)(i) of this section.

ecological life skills assessments and other equivalent measures.	
(c) The need for ESY services will not be based on any of the following:	
(1) The desire or need for day care or respite care services.	
(1) The desire of need for a summer recreation program.	
(3) The desire or need for other programs or services that, while they may provide	
educational benefit, are not required to ensure the provision of a free appropriate public	
education.	
(d) Students with severe disabilities such as autism/pervasive developmental disorder,	
serious emotional disturbance; severe mental retardation; degenerative impairments with	
mental involvement; and severe multiple disabilities require expeditious determinations of	
eligibility for ESY services to be provided as follows:	
(1) Parents of students with severe disabilities shall be notified by the school entity of the	
annual review meeting to encourage their participation.	
(2) The IEP review meeting must occur no later than February 28 of each school year for	
students with severe disabilities.	
(3) The Notice of Recommended Educational Placement shall be issued to the parent no	
later than March 31 of the school year for students with severe disabilities.	
(4) If a student with a severe disability transfers into a school entity after the dates in	
paragraphs (2) and (3), and the ESY eligibility decision has not been made, the eligibility	
and program content must be determined at the IEP meeting.	
(e) School entities shall consider the eligibility for ESY services of all students with	
disabilities at the IEP meeting. ESY determinations for students other than those described	
in subsection (d) are not subject to the time lines in subsection (d). However, these	
determinations shall still be made in a timely manner. If the parents disagree with the	
school entity's recommendation on ESY, the parents will be afforded an expedited due	
process hearing.	
§ 14.133. Positive behavior support.	
(a) Positive, rather than negative, measures must form the basis of behavior support	
programs to ensure that all students and eligible young children shall be free from	
demeaning treatment, the use of aversive techniques and the unreasonable use of restraints.	
Behavior support programs must include research based practices and techniques to	
develop and maintain skills that will enhance an individual student's or eligible young	
child's opportunity for learning and self-fulfillment. Behavior support programs and plans	
must be based on a functional assessment of behavior and utilize positive behavior	
techniques. When an intervention is needed to address problem behavior, the types of	
intervention chosen for a particular student or eligible young child shall be the least	
intrusive necessary. The use of restraints is considered a measure of last resort, only to be	
used after other less restrictive measures, including de-escalation techniques, in accord with	
subsection (c)(2).	
(b) Notwithstanding the requirements incorporated by reference in 34 CFR 300.34,	
300.324 and 300.530 (relating to related services; development, review, and revision of	
IEP; and authority of school personnel), with regard to a child's behavior, the following	
words and terms, when used in this section, have the following meanings, unless the	
context clearly indicates otherwise:	
Aversive techniquesDeliberate activities designed to establish a negative association with	
a specific behavior.	

Chapter 14 PA Regulations (June 28, 2008)	Part 300 Federal Regulations (August 14, 2006) Adopted by Reference
Behavior supportThe development, change and maintenance of selected behaviors	
through the systematic application of behavior change techniques.	
Positive behavior support plansA plan for students with disabilities and eligible young	
children who require specific intervention to address behavior that interferes with learning.	
A positive behavior support plan shall be developed by the IEP team, be based on a	
functional behavior assessment, and become part of the individual eligible young child's or	
student's IEP. These plans must include methods that utilize positive reinforcement and	
other positive techniques to shape a student's or eligible young child's behavior, ranging	
from the use of positive verbal statements as a reward for good behavior to specific tangible	
rewards.	
Restraints	
(i) The application of physical force, with or without the use of any device, for the purpose	
of restraining the free movement of a student's or eligible young child's body.	
(ii) The term does not include briefly holding, without force, a student or eligible young	
child to calm or comfort him, guiding a student or eligible young child to an appropriate	
activity, or holding a student's or eligible young child's hand to safely escort her from one	
area to another.	
(iii) The term does not include hand-over-hand assistance with feeding or task completion	
and techniques prescribed by a qualified medical professional for reasons of safety or for	
therapeutic or medical treatment, as agreed to by the student's or eligible young child's	
parents and specified in the IEP. Devices used for physical or occupational therapy,	
seatbelts in wheelchairs or on toilets used for balance and safety, safety harnesses in buses,	
and functional positioning devices are examples of mechanical restraints which are	
excluded from this definition, and governed by subsection (d).	
(c) Restraints to control acute or episodic aggressive or self-injurious behavior may be used	
only when the student is acting in a manner as to be a clear and present danger to himself,	
to other students or to employees, and only when less restrictive measures and techniques	
have proven to be or are less effective.	
(1) The use of restraints to control the aggressive behavior of an individual student or	
eligible young child shall cause the school entity to notify the parent of the use of restraint	
and shall cause a meeting of the IEP team within 10 school days of the inappropriate	
behavior causing the use of restraints, unless the parent, after written notice, agrees in	
writing to waive the meeting. At this meeting, the IEP team shall consider whether the	
student or eligible young child needs a functional behavioral assessment, reevaluation, a	
new or revised positive behavior support plan, or a change of placement to address the	
inappropriate behavior.	
(2) The use of restraints may only be included in a student's or eligible young child's IEP	
when the following conditions apply:	
(i) The restraint is utilized with specific component elements of positive behavior support.	
(ii) The restraint is used in conjunction with the teaching of socially acceptable alternative	
skills to replace problem behavior.	
(iii) Staff are authorized to use the procedure and have received the staff training required.	
(iv) There is a plan in place for eliminating the use of restraint through the application of	
positive behavior support.	
(3) The use of prone restraints is prohibited in educational programs. Prone restraints are	
those in which a student or eligible young child is held face down on the floor.	

Chapter 14 PA Regulations (June 28, 2008)	Part 300 Federal Regulations (August 14, 2006) Adopted by Reference
(4) The use of restraints may not be included in the IEP for the convenience of staff, as a	
substitute for an educational program, or employed as punishment.	
(5) School entities shall maintain and report data on the use of restraints as prescribed by	
the Secretary. The report shall be reviewed during cyclical compliance monitoring	
conducted by the Department.	
(d) Mechanical restraints, which are used to control involuntary movement or lack of	
muscular control of students when due to organic causes or conditions, may be employed	
only when specified by an IEP and as determined by a medical professional qualified to	
make the determination, and as agreed to by the student's parents. Mechanical restraints	
shall prevent a student from injuring himself or others or promote normative body	
positioning and physical functioning.	
(e) The following aversive techniques of handling behavior are considered inappropriate	
and may not be used by agencies in educational programs:	
(1) Corporal punishment.(2) Punishment for a manifestation of a student's disability.	
(2) Fullishment for a mannestation of a student's disability.(3) Locked rooms, locked boxes or other structures or spaces from which the student	
cannot readily exit.	
(4) Noxious substances.	
(5) Deprivation of basic human rights, such as withholding meals, water or fresh air.	
(6) Suspensions constituting a pattern under § 14.143(a) (relating to disciplinary	
placement).	
(7) Treatment of a demeaning nature.	
(8) Electric shock.	
(f) School entities have the primary responsibility for ensuring that positive behavior	
support programs are in accordance with this chapter, including the training of personnel	
for the use of specific procedures, methods and techniques, and for having a written policy	
and procedures on the use of positive behavior support techniques and obtaining parental	
consent prior to the use of restraints or intrusive procedures as provided in subsection (c).	
(g) In accordance with their plans, agencies may convene a review, including the use of	
human rights committees, to oversee the use of restrictive or intrusive procedures or	
restraints.	
(h) Subsequent to a referral to law enforcement, for students with disabilities who have	
positive behavior support plans, an updated functional behavior assessment and positive behavior support plan shall be required.	
§ 14.143. Disciplinary placements.	Discipline Procedures
(a) Notwithstanding the requirements incorporated by reference in 34 CFR 300.530(b) and	§ 300.530 Authority of school personnel.
300.536 (relating to authority of school personnel; and change of placement because of	(a) <i>Case-by-case determination</i> . School personnel may consider any unique
disciplinary removals), a disciplinary exclusion of a student with a disability for more than	circumstances on a case-by-case basis when determining whether a change in placement,

(b) A removal from school is a change of placement for a student who is identified with	(b) General. (1) School personnel under this section may remove a child with a

	10 consecutive school days in that same school year for separate incidents of

Chapter 14 PA Regulations (June 28, 2008)	Part 300 Federal Regulations (August 14, 2006) Adopted by Reference
	misconduct (as long as those removals do not constitute a change of placement under
	§ 300.536).
	(2) After a child with a disability has been removed from his or her current placement for 10 school days in the same school year, during any subsequent days of removal
	the public agency must provide services to the extent required under paragraph (d) of
	this section.
	(c) Additional authority. For disciplinary changes in placement that would exceed 10
	consecutive school days, if the behavior that gave rise to the violation of the school
	code is determined not to be a manifestation of the child's disability pursuant to
	paragraph (e) of this section, school personnel may apply the relevant disciplinary
	procedures to children with disabilities in the same manner and for the same duration
	as the procedures would be applied to children without disabilities, except as
	provided in paragraph (d) of this section.
	(d) Services. (1) A child with a disability who is removed from the child's current
	placement pursuant to paragraphs (c), or (g) of this section must—
	(i) Continue to receive educational services, as provided in § 300.101(a), so as to enable the child to continue to participate in the general education curriculum,
	although in another setting, and to progress toward meeting the goals set out in the
	child's IEP; and (ii) Receive, as appropriate, a functional behavioral assessment, and
	behavioral intervention services and modifications, that are designed to address the
	behavior violation so that it does not recur
	(2) The services required by paragraph $(d)(1)$, $(d)(3)$, $(d)(4)$, and $(d)(5)$ of this section
	may be provided in an interim alternative educational setting.
	(3) A public agency is only required to provide services during periods of removal to
	a child with a disability who has been removed from his or her current placement for
	10 school days or less in that school year, if it provides services to a child without
	disabilities who is similarly removed.(4) After a child with a disability has been removed from his or her current placement
	for 10 school days in the same school year, if the current removal is for not more
	than 10 consecutive school days and is not a change of placement under § 300.536,
	school personnel, in consultation with at least one of the child's teachers, determine
	the extent to which services are needed, as provided in § 300.101(a), so as to enable
	the child to continue to participate in the general education curriculum, although in
	another setting, and to progress toward meeting the goals set out in the child's IEP.
	(5) If the removal is a change of placement under § 300.536, the child's IEP Team
	determines appropriate services under paragraph $(d)(1)$ of this section.
	(e) <i>Manifestation determination</i> . (1) Within 10 school days of any decision to change
	the placement of a child with a disability because of a violation of a code of student conduct, the LEA, the parent, and relevant members of the child's IEP Team (as
	determined by the parent and the LEA) must review all relevant information in the
	student's file, including the child's IEP, any teacher observations, and any relevant
	information provided by the parents to determine—
	(i) If the conduct in question was caused by, or had a direct and substantial
	relationship to, the child's disability; or
	(ii) If the conduct in question was the direct result of the LEA's failure to implement
	the IEP.

Chapter 14 PA Regulations (June 28, 2008)	Part 300 Federal Regulations (August 14, 2006) Adopted by Reference
	(2) The conduct must be determined to be a manifestation of the child's disability if the LEA, the parent, and relevant members of the child's IEP Team determine that a
	condition in either paragraph (e)(1)(i) or (1)(ii) of this section was met.
	(3) If the LEA, the parent, and relevant members of the child's IEP Team determine
	the condition described in paragraph (e)(1)(ii) of this section was met, the LEA must
	take immediate steps to remedy those deficiencies.
	(f) Determination that behavior was a manifestation. If the LEA, the parent, and
	relevant members of the IEP Team make the determination that the conduct was a manifestation of the child's disability, the IEP Team must—
	(1) Either—
	(i) Conduct a functional behavioral assessment, unless the LEA had conducted a
	functional behavioral assessment before the behavior that resulted in the change of
	placement occurred, and implement a behavioral intervention plan for the child; or
	(ii) If a behavioral intervention plan already has been developed, review the
	behavioral intervention plan, and modify it, as necessary, to address the behavior;
	and
	(2) Except as provided in paragraph (g) of this section, return the child to the
	placement from which the child was removed, unless the parent and the LEA agree to
	a change of placement as part of the modification of the behavioral intervention plan.
	(g) Special circumstances. School personnel may remove a student to an interim
	alternative educational setting for not more than 45 school days without regard to whether the behavior is determined to be a manifestation of the child's disability, if
	the child—
	(1) Carries a weapon to or possesses a weapon at school, on school premises, or to or
	at a school function under the jurisdiction of an SEA or an LEA;
	(2) Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a
	controlled substance, while at school, on school premises, or at a school function
	under the jurisdiction of an SEA or an LEA; or
	(3) Has inflicted serious bodily injury upon another person while at school, on school
	premises, or at a school function under the jurisdiction of an SEA or an LEA.
	(h) <i>Notification</i> . On the date on which the decision is made to make a removal that
	constitutes a change of placement of a child with a disability because of a violation of a code of student conduct, the LEA must notify the parents of that decision, and
	provide the parents the procedural safeguards notice described in § 300.504.
	(i) <i>Definitions</i> . For purposes of this section, the following definitions apply:
	(1) Controlled substance means a drug or other substance identified under schedules
	I, II, III, IV, or V in section 202(c) of the Controlled Substances Act (21 U.S.C.
	812(c)).
	(2) <i>Illegal drug</i> means a controlled substance; but does not include a controlled
	substance that is legally possessed or used under the supervision of a licensed health-
	care professional or that is legally possessed or used under any other authority under
	that Act or under any other provision of Federal law.(3) Serious bodily injury has the meaning given the term "serious bodily injury"
	under paragraph (3) of subsection (h) of section 1365 of title 18, United States Code.
	(4) <i>Weapon</i> has the meaning given the term "dangerous weapon" under paragraph
	(2) of the first subsection (g) of section 930 of title 18, United States Code.

	§ 300.532 Appeal.
	(a) <i>General</i> . The parent of a child with a disability who disagrees with any decision regarding placement under §§ 300.530 and 300.531, or the manifestation
	determination under § 300.530(e), or an LEA that believes that maintaining the
	current placement of the child is substantially likely to result in injury to the child or
	others, may appeal the decision by requesting a hearing. The hearing is requested by
	filing a complaint pursuant to §§ 300.507 and 300.508(a) and (b).
	(b) Authority of hearing officer. (1) A hearing officer under § 300.511 hears, and
	makes a determination regarding an appeal under paragraph (a) of this section.
	(2) In making the determination under paragraph (b)(1) of this section, the hearing
	officer may—
	(i) Return the child with a disability to the placement from which the child was
	removed if the hearing officer determines that the removal was a violation of §
	300.530 or that the child's behavior was a manifestation of the child's disability; or
	(ii) Order a change of placement of the child with a disability to an appropriate
	interim alternative educational setting for not more than 45 school days if the hearing

	(3) The procedures under paragraphs (a) and (b)(1) and (2) of this section may be repeated, if the LEA believes that returning the child to the original placement is
	substantially likely to result in injury to the child or to others.
	(c) <i>Expedited due process hearing</i> . (1) Whenever a hearing is requested under
	paragraph (a) of this section, the parents or the LEA involved in the dispute must
	have an opportunity for an impartial due process hearing consistent with the
	requirements of §§ 300.507 and 300.508(a) through (c) and §§ 300.510 through
	300.514, except as provided in paragraph (c)(2) through (4) of this section.
	(2) The SEA or LEA is responsible for arranging the expedited due process hearing,
	which must occur within 20 school days of the date the complaint requesting the
	hearing is filed. The hearing officer must make a determination within 10 school days
	after the hearing.
	(3) Unless the parents and LEA agree in writing to waive the resolution meeting
	described in paragraph $(c)(3)(i)$ of this section, or agree to use the mediation process
	described in § 300.506—
	(i) A resolution meeting must occur within seven days of receiving notice of the due
	process complaint; and
	(ii) The due process hearing may proceed unless the matter has been resolved to the
	satisfaction of both parties within 15 days of the receipt of the due process complaint. (4) A State may establish different State-imposed procedural rules for expedited due

	§ 300.534 Protections for children not determined eligible for special education
	and related services.
	(a) <i>General.</i> A child who has not been determined to be eligible for special education and related services under this part and who has engaged in behavior that violated a
	code of student conduct, may assert any of the protections provided for in this part if
	the public agency had knowledge (as determined in accordance with paragraph (b) of
	this section) that the child was a child with a disability before the behavior that precipitated the disciplinary action occurred.
	(b) <i>Basis of knowledge</i> . A public agency must be deemed to have knowledge that a
	child is a child with a disability if before the behavior that precipitated the
	disciplinary action occurred—
	(1) The parent of the child expressed concern in writing to supervisory or administrative personnel of the appropriate educational agency, or a teacher of the
	child, that the child is in need of special education and related services;
	(2) The parent of the child requested an evaluation of the child pursuant to
	§§ 300.300 through 300.311; or
	(3) The teacher of the child, or other personnel of the LEA, expressed specific concerns about a pattern of behavior demonstrated by the child directly to the
	director of special education of the agency or to other supervisory personnel of the
	agency.
	(c) <i>Exception</i> . A public agency would not be deemed to have knowledge under paragraph (b) of this section if—
	(1) The parent of the child—
	(i) Has not allowed an evaluation of the child pursuant to §§ 300.300 through
	300.311; or
	(ii) Has refused services under this part; or(2) The child has been evaluated in accordance with §§ 300.300 through 300.311 and
	determined to not be a child with a disability under this part.
	(d) Conditions that apply if no basis of knowledge. (1) If a public agency does not
	have knowledge that a child is a child with a disability (in accordance with paragraphs (b) and (c) of this section) prior to taking disciplinary measures against
	the child, the child may be subjected to the disciplinary measures applied to children
	without disabilities who engage in comparable behaviors consistent with paragraph
	(d)(2) of this section.
	(2)(i) If a request is made for an evaluation of a child during the time period in which

Chapter 14 PA Regulations (June 28, 2008)	Part 300 Federal Regulations (August 14, 2006) Adopted by Reference
	the child is subjected to disciplinary measures under § 300.530, the evaluation must
	be conducted in an expedited manner.
	(ii) Until the evaluation is completed, the child remains in the educational placement
	determined by school authorities, which can include suspension or expulsion without
	educational services.
	(iii) If the child is determined to be a child with a disability, taking into consideration
	information from the evaluation conducted by the agency and information provided
	by the parents, the agency must provide special education and related services in
	accordance with this part, including the requirements of §§ 300.530 through 300.536
	and section $612(a)(1)(A)$ of the Act.
	(Authority: 20 U.S.C. 1415(k)(5)) § 300.535 Referral to and action by law enforcement and judicial authorities.
	(a) <i>Rule of construction</i> . Nothing in this part prohibits an agency from reporting a crime
	committed by a child with a disability to appropriate authorities or prevents State law
	enforcement and judicial authorities from exercising their responsibilities with regard to
	the application of Federal and State law to crimes committed by a child with a disability.
	(b) <i>Transmittal of records</i> . (1) An agency reporting a crime committed by a child
	with a disability must ensure that copies of the special education and disciplinary
	records of the child are transmitted for consideration by the appropriate authorities to
	whom the agency reports the crime.
	(2) An agency reporting a crime under this section may transmit copies of the child's
	special education and disciplinary records only to the extent that the transmission is
	permitted by the Family Educational Rights and Privacy Act.
	(Authority: 20 U.S.C. 1415(k)(6))
	§ 300.536 Change of placement because of disciplinary removals.
	(a) For purposes of removals of a child with a disability from the child's current
	educational placement under §§ 300.530 through 300.535, a change of placement
	occurs if— (1) The removal is for more than 10 consecutive school days; or
	(1) The removal is for more than to consecutive school days, or (2) The child has been subjected to a series of removals that constitute a pattern—
	(i) Because the series of removals total more than 10 school days in a school year;
	(i) Because the child's behavior is substantially similar to the child's behavior in
	previous incidents that resulted in the series of removals; and
	(iii) Because of such additional factors as the length of each removal, the total
	amount of time the child has been removed, and the proximity of the removals to one
	another.
	(b)(1) The public agency determines on a case-by-case basis whether a pattern of
	removals constitutes a change of placement.

	(a) General. Each public agency must ensure that procedures are established and
	implemented to allow parties to disputes involving any matter under this part, including
	matters arising prior to the filing of a due process complaint, to resolve disputes through a

	(2) The due process complaint must allege a violation that occurred not more than two
	years before the date the parent or public agency knew or should have known about the
	alleged action that forms the basis of the due process complaint, or, if the State has an
	explicit time limitation for filing a due process complaint under this part, in the time
	allowed by that State law, except that the exceptions to the timeline described in
	§ 300.511(f) apply to the timeline in this section.(b) Information for parents. The public agency must inform the parent of any free or low-

	files a due process complaint that meets the requirements of paragraph (b) of this section.
	(d) Sufficiency of complaint. (1) The due process complaint required by this section must
	be deemed sufficient unless the party receiving the due process complaint notifies the

	complaint, that the receiving party believes the due process complaint does not meet the
	requirements in paragraph (b) of this section.
	(2) Within five days of receipt of notification under paragraph $(d)(1)$ of this section, the

	whether the due process complaint meets the requirements of paragraph (b) of this section,
	and must immediately notify the parties in writing of that determination.
	(3) A party may amend its due process complaint only if—
	(i) The other party consents in writing to the amendment and is given the opportunity to

	meeting in § 300.510(a) and the time period to resolve in § 300.510(b) begin again with the
	filing of the amended due process complaint.
	(e) LEA response to a due process complaint. (1) If the LEA has not sent
	a prior written notice under § 300.503 to the parent regarding the subject matter contained

	attorney.
	(2) The purpose of the meeting is for the parent of the child to discuss the due process
	complaint, and the facts that form the basis of the due process complaint, so that the LEA
	has the opportunity to resolve the dispute that is the basis for the due process complaint. (3) The meeting described in paragraph (a)(1) and (2) of this section need not be held if—

	satisfaction of the parent within 30 days of the receipt of the due process complaint, the due
	process hearing may occur.
	(2) Except as provided in paragraph (c) of this section, the timeline for issuing a final
	decision under § 300.515 begins at the expiration of this 30-day period.
	(3) Except where the parties have jointly agreed to waive the resolution process or to use
	mediation, notwithstanding paragraphs (b)(1) and (2) of this section, the failure of the
	parent filing a due process complaint to participate in the resolution meeting will delay the
	timelines for the resolution process and due process hearing until the meeting is held.
	(4) If the LEA is unable to obtain the participation of the parent in the resolution meeting
	after reasonable efforts have been made (and
	documented using the procedures in \$ 200,222(d)) the LEA may at the conclusion of the 20 day period, request that a hearing

	in the resolution meeting, the parent may seek the intervention of a hearing officer to begin
	the due process hearing timeline.
	(c) Adjustments to 30-day resolution period. The 45-day timeline for the due process
	hearing in § 300.515(a) starts the day after one of the following events:
